Kingsburg, CA 93631

Dear Members of the Kingsburg Healthcare District Board,

On behalf of the Kingsburg Lions Club, we respectfully request consideration of a \$10,000 funding allocation to support our youth football program and its continued focus on the health, safety, and wellness of local youth.

The Kingsburg Lions Club is committed to providing accessible, affordable youth football opportunities for families in our community. Each year, our program serves more than 150 participating athletes, offering not only athletic development but also opportunities to build teamwork, discipline, confidence, and lifelong healthy habits. A core priority of our program is ensuring that all participants have access to properly maintained high-quality safety equipment. To uphold this commitment, the organization regularly invests between \$10,000 and \$15,000 annually on safety equipment alone. A large portion of these funds are used for helmet refurbishment and reconditioning, which are essential to reducing the risk of head injuries and ensuring compliance with safety standards.

Support from the Kingsburg Healthcare District would directly advance shared goals of promoting youth health and wellness. The requested funds would be used exclusively for safety equipment purchases and refurbishment, helping us maintain high safety standards while keeping registration fees as low as possible for families. By reducing financial barriers, we ensure that more children in Kingsburg can participate in organized sports in a safe and supportive environment.

We appreciate the Kingsburg Healthcare District's ongoing commitment to community health and wellness and would be honored to partner in this effort to protect and support our youth. If the Board feels this is a worthy endeavor, we will gladly include the District's logo on our registration forms or collaborate to promote the KHCD in a manner as desired by the Board.

Thank you for your time and consideration. We would be happy to provide additional information or answer any questions regarding this request.

Sincerely,

A handwritten signature in black ink, appearing to be the name of the Kingsburg Lions Club President.

Kingsburg Lions Club President

Re: 2026 Youth Football Program Request

Please find attached to this memo, information that was requested to accompany our original request for funding. All requests are related to health and safety of the youth players involved with this Kingsburg Tradition.

Item #1 Each year Kingsburg Lions requests the City of Kingsburg Fire Department have an ambulance present at each game. Attached is the invoice paid for the 2025 season. We are budgeting about the same amount for the 2026 season.

\$800.00

Item #2 The invoice from Riddell contains 23 new helmets needed to replace old ones that had served their time and no longer passed inspection. It was also determined that 30 shoulder pads no longer had the adequate safety padding and needed to be replaced. Also, new mouthguards are purchased each year.

\$8,430.96

Item #3 This invoice from Epic Sports shows girdle pads and knee pads that needed to be replaced. The web football belts were subtracted from the total as they were not a health and safety item. $\$402.32 - \$23.80 + \$378.52$

Item #4 The invoice from Riddell is for helmet inspections and refurbishment. This is last year's billing. We estimate this year's billing will be \$6,500.00 which is approximately an 8% increase.

We also purchase first aid kits for each team annually to have at all practices and games. For the 4 teams the cost of this is approximately \$160.00.

Adding up all the above, the Kingsburg Lions Club will spend \$16,269.48 on health and safety for the 2026 season. That number is about 50% of the total cost to run the program for the year, not including league fees and insurance.

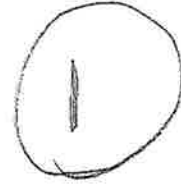

A donation/grant from the Health Care District will allow the Lions club to continue this program and keep costs for each player from increasing. We all thank you, in advance, for your time and consideration in this matter.

Please Note; No player is ever turned away from participating for financial reasons. If a hardship exists, it is looked at on an individual basis, and a Lions Club member will step up to donate the cost for the child.
