Project Overview: Sponsorship Opportunity for Competitive Girls Soccer Team (Ages 8-11)

Our competitive girls soccer team is made up of dedicated athletes ages 8-10 who are developing both their skills on the field and their character off it. At this stage, our focus goes beyond soccer fundamentals to include building confidence, encouraging a healthy lifestyle, and promoting positive habits like teamwork, discipline, and accountability.

Through training, league play, and tournaments, our players learn what it means to compete at a higher level. They are taught how to be supportive teammates, communicate effectively, and handle challenges with resilience. We emphasize perseverance. We help players work through adversity, push past setbacks, and continue to grow in a positive environment.

We are seeking sponsorship support to help cover costs such as tournaments, travel, uniforms, field fees, and training. Your help will directly support youth development and girls in sports. Your sponsorship can help empower young athletes to build healthy habits and strong character on and off the field.

This letter serves as an introduction to Central California Soccer Alliance. Someone within our organization knows that you or your family, or business are thoughtful and caring and may be in a position to consider a sponsorship for a youth soccer team or our Soccer Club.

The Central California Soccer Alliance's mission is to offer a youth soccer program recognized for excellence in academic achievement and athletic success. We are committed to the holistic development of ambitious youth soccer players. We focus on balancing academic, social, and athletic development for student-athletes between the ages of 6 and 18 years. Our program insures that each student-athlete participates in community service events, and provides extensive training to improve their soccer skills. Our goal is to provide players with the opportunity, should they so choose, to play soccer at the collegiate level and/or beyond.

The cost of operating a competitive Club such as this is substantial. Teams must pay for tournament fees, travel expenses, league fees, uniforms and insurance. These fees can exceed \$15,000 a year. We are asking for your help in obtaining monetary donations to help defray the cost and help those who need financial assistance. Our staff and student-athletes greatly appreciate all donations, which may be 100% tax deductible.

We have several ways to help within our organization: Level of Team Sponsorships Gifts
